Komodo & Sumbawa Itinerary Details

For logistical purposes plan 2-3 days of travel pre- and post. Travel to Indonesia is long, and it's important to get a rest in before we board the boat. We will need to fly into Bali/ Denpasar airport where we will overnight before taking a domestic flight to Labuan Bajo/ Flores. I will have airport hotel reservation information when the trip gets closer. Upon arrival to Labuan Bajo, Aggressor will transfer us to the yacht from the airport. From there we will enjoy 10 days on board a traditional Phinisi style ship exploring the famous Komodo National Park and heading west along Sumbawa and diving along the way.

Additional time in Indonesia:

Indonesia a special magical part of the world. I found it as visually stimulating as it is spiritually, so we will spend a few days either pre or post soaking in Bali and its culture. More details will be provided about optional activities- or just relaxing poolside and taking it all in. Details will come late 2025/ early 2026 on activities and options to extend your time.

Travel Insurance:

Diver's Alert Network or DAN is a nonprofit organization that specializes in the study of dive medicine, they offer the only scuba diving health coverage in the world but also trip insurance:

Highly recommended, but not specialized is World Nomads.
